Material : For 1 Flower

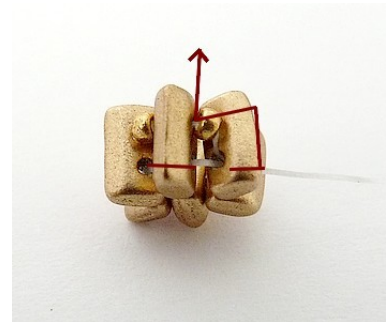

- 6 Piros® par Puca®
- 6 Minos® par Puca®
- 1 round bead 4 mm (PR4)
- Seed beads 15/0 (R15), 11/0 (R11)
- Thin Rings 3 mm Ø
- Fireline 0.12
- For Earrings you'll need 2 Flowers
- For Bracelet : 3 Flowers
- For Necklace : 5 Flowers or more

1) Pick up alternately 6 R15 and 6 Piros

2) Exit like picture

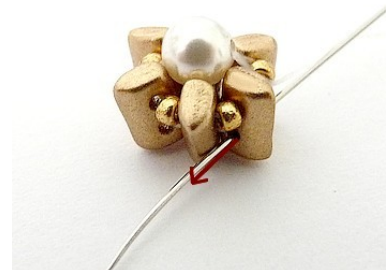

3) Pass through all Piros (bottom hole) **without** R15 and exit like picture through R15

4) Pick up 1 PR4 and exit through R15

5) Pass again through PR4 and R15 in the opposite way

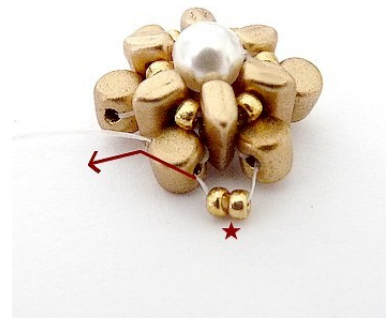

6) You'll now have this 😊 Exit like picture through Piros

7) Pick up 1 Minos between Piros, repeat for the length of the pattern, you bead on the back of your work

8) You'll now have this, exit through Minos

9) Pick up 2 R15 between each Minos, repeat for the length of the pattern

10) You'll now have this 😊 Exit like picture through the first R15

11) Pick up 1 R11 between each R15, repeat for the length of the pattern

12) You'll now have this 😊 Close your work

13) If you bead a necklace, put together 2 flowers with a ring between 2 R11, like picture

14) You can bead earrings

15) Or a bracelet with 3 flowers

16) Earrings « Camélia »

17) Necklace 5 flowers

18) You can bead several flowers according to your wishes !

Happy beading!
