Materials (for a 1.20 m necklace):

- 32 Piros par Puca®/color (I used 8 colors in this tutorial)
- Seed beads 15/0 (SB15)
- Seed beads 11/0 (SB11)
- Seed beads 8/0 (SB8)
- 2 Jump rings 0.4 mm
- 1 clasp
- Fireline 0.12

1) Tie in a circle 1 Piros, 1 SB11, 1 SB8 and 1 SB11.

2) Pass once again through the beads to strengthen and then go out through the Piros.

3) String 3 SB15 and pass through the 2nd hole of the Piros.

4) String 1 Piros, 3 SB15 and then pass through the 2nd hole of the last Piros added.

5) Repeat step 4.

6) Repeat step 4 until your necklace has the length you want it.

7) You can vary the colors and number of Piros according to your desires.

8) At the end repeat step 1.

9) Add your clasp using jump rings in SB8.

Happy beading!
